EXCELL DAHLIA GARDENS

INTRODUCTION

In presenting my 1936 list of dahlias I wish to thank my patrons for their kind patronage and I shall try my best to merit a continuance of that patronage by sending out only the best stock possible.

Have you tried My Green Plants? They are all base cuttings that are well rooted and will produce good strong roots. These plants are shipped in special boxes that will reach you safely. I have shipped plants to all parts of the U. S. A. with plants arriving in perfect condition. Plants will produce better blooms and roots.
